Dear Parents and Caregivers
We will be accepting enrolments for Kindergarten, 2016 from Tuesday 9th June. We do have limited places available so if you have a child starting Kindergarten next year, please ensure your application is received as soon as possible. Information about transition days etc will be handed out upon return of the completed enrolment form. Enrolment forms are available from the front office and they are also available online for you to download. It won’t be long before we welcome the next wave of Boambee students!

I try and attend as many school events as possible and I thoroughly enjoy attending our school assemblies where I get to see our students receiving awards from their class teachers, as well as classes performing. I was unable to attend this week’s assembly as I was at a Professional Learning Day for Principals – it’s always on a Friday!

At the professional learning session that I attended today, I learned more about:

- Teacher award initiatives
- Principal classification
- Learning tools - IT Learning Systems
- Incident Response
- School Excellence Framework and our School Plan
- Student Well Being systems including funding support for students with a disability
- Overseas study tours
- Student and family mental health support, and
- Road Safety education

I will share more information in next week’s newsletter about what it means for our school.

A survey has been sent home today about the possibility of adding a jumper to our school uniform. There is also information about the quality of our jackets and if you have had any issues with them, in particular the zipper. Please return the survey to the front office before the end of this term.

If you and your family are travelling anywhere this long weekend, please stay safe and I look forward to seeing everyone again on Tuesday.

Have a great long weekend.

Brad Lyne - Principal

Table Tennis Tables
This week the students have been having a wonderful time at lunch playing table tennis. The school has purchased two table tennis tables from the credits we have accrued from the awards system at Amart. You to can contribute by applying for an Amart card and making the beneficiary Boambee Public School. This is a great program that helps our school by supplying us with new sporting equipment. Thank you Amart and to our community helpers.

Cross Country
Congratulations to all the students who participated in the Mid North Coast Cross Country last Friday. Congratulations to Elke Bowles, Zoe Wilson, Zac Wilson and Bradley Clancy who have qualified for the North Coast Cross Country held today. Good Luck!

Hat Competition
Congratulations Jarad. This week Mrs Donoghoe had a competition for one of our students to win a school hat. There has been many enthusiastic students trying to win. Jarad was the winner. The competition was to identify the missing activity on the playground activities sheet. The answer was Table Tennis - first half of lunch. Well done Jarad.

Welcome to Troy and Jake Tutt
This week we welcome two new students to the school. Troy has joined 1G and Jake has joined 3/4M.

1G Creativity
Cooper, Mokura and Enya were very creative in the playground last week using a leaf, sticks and sap to make a cocoon. The leaf came of the umbrella tree, sticks from the pine tree and sap to stick it all together. They brought it to class and illustrated it in their books before giving a presentation to 1G about how they made it.
