Dear Parents and Caregivers,
This week was SASS WEEK where we formally recognise the hard work of all of our support and administrative staff. We are extremely lucky to have such wonderful SASS at Boambee PS and they all do a wonderful job! We simply couldn’t operate our school if it wasn’t for them. Thank you to Nicholas, Julie, Glenda, Peter, Ian, Lee, Sandra, Cheree, Mick and Cassie for all you do for our school.

Today, a “Tell Them From Me” survey went home for parents to complete. Staff and students have completed this survey in the past 12 months. I encourage you to complete the survey if you can. If you need access to a computer to complete the survey, let us know and you can complete it at school.

We will use the results to see how we can engage with our school community better and also see what you recognise that we are doing well so we can keep doing it! We have been granted some money from the federal government to increase collaboration with our community and I’m looking forward to continuing the conversation with you. I am continuing to contact parents by phone or catching you in the playground to seek your feedback on our school.

We drew the winners of our Father’s Day raffle at today’s assembly and winners will be published next week. We raised over $4600.00. Thank you for selling tickets to raise funds for our school.

We had a strong representation at the North Coast Athletics Carnival last Friday in Lismore. I was extremely proud of all our Boambee Athletes – well done! We had some great results with Riley, Elke and Shayla making it through to state! Wow!

It is fantastic to see so many things come in for our fete! There is still plenty of time to bring your items in – thanks everyone!

We are meeting our Kinder 2016 enrolments for the first time at next Tuesday’s Kinder Expo. Exciting times! I’m looking forward to welcoming current and new parents to our fantastic school. I’m sure you'll make them feel very welcome.

Have a great weekend everyone.
Brad Lyne - Principal

A big thanks to the P&C for their efforts at the Father's Day Stall this week. Many hours of wrapping and selling gifts ensured all children had a chance to buy a gift for Father’s Day. Another example of how your P&C is volunteering their time to assist our school community.

Thanks to all involved!

WOOLWORTHS EARN AND LEARN

Woolworths Earn and Learn finishes Tuesday 8th September so please make sure you have brought in all your stickers. We have already received 352 sheets full of stickers and we are still counting! Looking forward to the final number which in the end will allow us to purchase educational equipment for the students and school. Many thanks to all of our Boambee families and friends that are helping us with the Woolies Earn and Learn Promotion. We will keep you posted! A big thanks to Mrs Larnach (and family) for collecting and sticking on all the little extras.
Safety Stars shine bright for Electricity Safety Week 7-11 September 2015

Our students will be learning how to be Safety Stars this coming week as part of Essential Energy’s Electricity Safety Week, a state-wide program that teaches students about electricity and how to behave safely around electrical equipment.

We hope they will take home and share some of the important safety messages they have learned – from identifying dangerous electrical situations, to knowing what to do in an emergency and using electrical appliances safely.

A safety reminder for parents: If you see a fallen powerline, stay at least eight metres away from it and anything it may be touching. Always assume fallen or damaged powerlines are ‘live’ and report any life-threatening situation immediately to Triple Zero (000). For more information visit: www.essentialenergy.com.au/education

Boambee Golf Team

Mr Pountney has been hard at work with our Boambee Golfers training for the Golf Championship which will be held on Monday at the Coffs Harbour Golf Club.

Lifeguard Talk for Year 3 and 4

This week Greg Hackfath the head lifeguard for the Coffs Harbour area visited Stage 2 students to remind us about safety when swimming at the beach, river, creek, dam or waterhole. We learnt about safe behaviour and that it is important to stay calm if we find ourselves in difficulty. Always swim between the flags at a patrolled beach and obey lifeguard warnings and instructions to help keep ourselves and the lifeguards safe.

**Fete Poem**

Come along and enjoy the fun,
There are competitions to be won.
You have to be as fast as a flash
To win at the jaffa smash.
There are bargains galore
At the trash n treasure stall
There’s lots of plants and oh so cheap
Will the petting zoo have a sheep?
The plastered arms will be just a joke
There’s tea and coffee for the older folk
So much to do, so much to see
At the school with the giant tallowwood tree
